DETECTO DIGITAL BABY SCALES

DURABLE CONSTRUCTION / CLINICAL QUALITY

The Detecto brand name, known around the world, assures you of a reliable, accurate scale for pediatric weighing. The Detecto model 8435 offers you a choice of pounds or kilograms, which is locked in at your choice of units upon initialization. Lightweight and attractive, this baby scale features a heavy-duty, rust-resistant understructure and digital speed and accuracy.

The polystyrene trays are a snap to clean and the scales feature compact footprints. The heavy-duty steel base provides patient assurance while weighing. A built-in measuring tape allows the healthcare professional to measure both weight and height simultaneously.

Detecto's model 8435 features an easy-to-use keypad and extra-large display perfect for patient weighing and viewing by the attending nurse, physician, or home healthcare professional.
