

# HARVESTER<sup>®</sup>

PRECAST CONCRETE SCALE

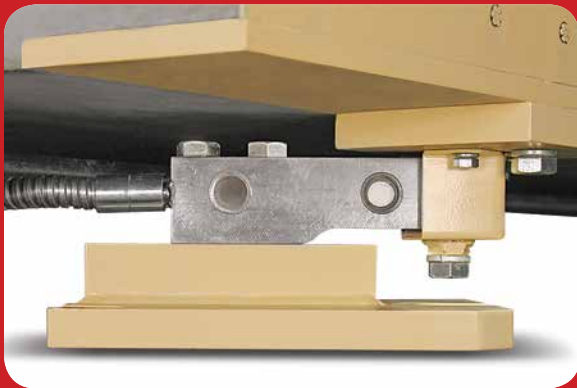

## LSC SERIES LIVESTOCK SCALES

- Ideal For Stockyards, Sale Barns and Private Farms
- Up to 30 Ton Full Scale Capacity and 52.5 ft. Long x 10 ft. Wide Sizes
- Factory Assembled Concrete Weighbridge and Steel Livestock Pens

# The rancher's choice for weighing

## STAINLESS STEEL LOAD CELLS

The LSC series utilizes Cardinal's 20,000-lb model SB stainless steel shear beam load cells which feature superior welded waterproof seals and protection against caustic, corrosive environments.

## STAINLESS STEEL JUNCTION BOX

The Harvester's stainless steel junction box is mounted on the side of the steel cattle pen for easy access.

## OPTIONAL DIGITAL WEIGHT INDICATORS

Cardinal offers a wide variety of weight indicators to use with your Harvester®, such as the 212GX.

Quality construction and durability for weighing sheep, goats, cattle, hogs, horses, and more.

66.5-in-high gates and cattle pens

Four hinge points on each gate for heavy-duty stability

Cardinal Scale's weight indicators feature StableSENSE® digital filtering that filters the weight signal to produce a stable weight display in spite of motion on the scale platform due to animal movement.

# livestock.

Steel livestock pens included

Two-end swing gates with easy-close latches

3-inch-square tubing

Ridging in the concrete deck provides sure footing for livestock

Ratproof wiring conduit throughout

0.8-inch-high gap between the concrete deck and steel livestock pen allows space for easy washout cleaning and is not visible to cattle from above.

## Factory-poured precast concrete scales

- **Steel Livestock Pen and Gates Included**
- **High Tensile Strength Concrete Decks**
- **Low-Profile Design - Easy Load Cell Access**
- **Stainless Steel Load Cells**
- **Modular Construction allows Multiple Platform Lengths**
- **NTEP Legal for Commercial Trade**
- **Patent-Pending Concrete Deck Design**
- **Single Source Convenience for Indicators, Remote Displays, and Load Cells**

# HARVESTER®

PRECAST CONCRETE SCALE

## LIVESTOCK SCALES

Cardinal Scale's Harvester® series factory-poured concrete deck livestock scale includes load cell stands, 20,000-lb stainless steel shear beam load cells, stainless steel junction box, livestock pen, gates, and curb angle. A variety of peripheral equipment is available.

# Fully-electronic, low-profile NTEP weighing

**Optional Horse Risers**  
Raises top bar 30 inches from 81-in clearance up to 111-in for horses.

### OPTIONS

**Optional Dual Latch**  
Dual latch offers stronger holding power for full cattle loads and features rope pulling bar that engages both latches.

Model Number	Platform Size	Overall Capacity	Increments	Section Capacity	Number of Sections	Shipping Weight
1217-LSC	17.5 ft L x 10 ft W	12.5 tons	5 lb	12.5 tons	2	16,500 lb
2535-LSC	35 ft L x 10 ft W	25 tons	5 lb	12.5 tons	3	32,750 lb
3052-LSC	52.5 ft L x 10 ft W	30 tons	10 lb	12.5 tons	4	49,250 lb
