- FM approval for safety
- USA made

WASTE MATE PLASTIC TRASH RECEPTACLES

Available in four sizes and red and beige colors, DETECTO's Waste Mate commercial-grade plastic waste receptacles feature an easy-to-use foot pedal that flips open the lid for no-touch trash disposal. The integrated internal clamps secure the trash bag to the rim of the can to prevent it from slipping into the can. The high-grade, durable plastic is easy to clean and long-lasting. Waste Mates are perfect for commercial kitchen waste and many other usages, keeping trash out of sight and sealing tightly to eliminate odors.

Bags can be replaced in seconds using the integrated bag-securing hinges and quick-replacement design. Waste Mate sizes are available ranging from 8 gallons / 30 liters up to 24 gallons / 91 liters. These waste receptacles are designed to withstand heavy-duty use in any fast-paced environment. They are FM rated for safety and USA made for quality.

Upper lips are ergonomically designed for comfort and ease of transport

Foot pedal flips open lid for quick trash disposal

Internal clamps cleanly secure trash bags to the rim of the container

Soft close lids gently lower back into closed position
